

8 - 10 September 2020

Africa Vegetable Breeding Consortium (AVBC)

ANNUAL WORKSHOP

World Vegetable Center West and Central Africa – Coastal & Humid Regions | Cotonou, Benin

The **Africa Vegetable Breeding Consortium Annual Workshop** will change the way you do breeding and business!

- **Learn** about the latest developments in breeding research from the WorldVeg team of internationally renowned plant breeders.
- **Scout** field trials of improved breeding materials to enhance your cultivar catalog
- **Meet** WorldVeg breeders, scientists and other researchers to strengthen your knowledge network*
- **Interact** with local seed industry and/or African agricultural research institutions**

| | |
|---------------|---|
| 8 Sept (Tue) | ANNUAL WORKSHOP (presentation, discussions, and field trials observation) |
| 9 Sept (Wed) | |
| 10 Sept (Thu) | *Available for individual meetings, by prior request. **Field visits to interact with local seed industry and/or African agricultural research institutions, free of charge and optional. A detailed program will be announced later, by prior registration. |

Featured crops

- **AMARANTH**
- **AFRICAN EGGPLANT**
- **ONION**
