Ensuring a healthier Africa now and into the future demands a smart, sustainable food system to deliver diets rich in nutritious, plant-based foods.

The time is right to advance knowledge and expand the use of traditional vegetables to help bring about this goal.

tav2020.org
Attend Power on Your Plate at Arusha’s newest hotel, the Gran Meliá Arusha!

This high-profile summit will bring together researchers, policymakers, and representatives from government ministries, civil society groups, and private industry to discuss best practices, plan policy strategies, and chart a way forward for these essential crops.

Register today to secure your spot!

Are you working to integrate traditional vegetables into Africa’s food systems?

TOPICS

- DIVERSITY AND BREEDING
- SEED SYSTEMS, ACCESS, AND QUALITY
- FOOD ENVIRONMENTS
